how to find us.

Walking

By far the best way to get about our historic part of town - it's free, it's greener, it's healthier and it's usually quicker.

From Piccadilly Train Station - Walking (Approx 1/2 mile / 15mins)

Exit the Piccadilly main entrance and follow the slope down Station Approach. Turn right at Caffé Nero onto Ducie St. Continue along Ducie St until you reach the junction with Ducie House directly opposite. Turn left into Peak St and follow the road round onto Laystall St which takes you upto Great Ancoats St. Turn left, cross the pedestrian crossing and turn right into Redhill St at Roche Bobois along the canal. Bengal St is the fourth road on the left and Waulk Mill is the first building on the right (look for the double wooden gates after about 50 yards).

From Piccadilly Gardens (Bus / Metrolink Interchange) - Walking (Approx 1/2 mile / 15mins)

Follow Lever Street out of Piccadilly Gardens as far as it goes until you reach Great Ancoats St. Turn right, cross Great Ancoats St at the crossing and turn left into Redhill St at Roche Bobois along the canal. Bengal Street is the fourth road on the left and Waulk Mill is the first building on the right (look for the double wooden gates after about 50 yards).

From Oxford Road Station – we recommend you take the train (few minutes, run regularly) to Piccadilly Train Station and follow the above directions.

From Victoria – we recommend you take the Metrolink (few minutes, run regularly) to Piccadilly Gardens and follow the above directions.

Taxi ranks are situated outside all the main public transport interchanges mentioned above. Please note that the taxi rank at Piccadilly Train Station is situated outside the Fairfield St entrance, not the Piccadilly entrance.

By car

If you need to drive, we're conveniently located just off the inner ring road so you can avoid most of the traffic.

From South and West of the city centre follow directions to the inner ring road (Mancunian Way A57M). Follow the ring road anticlockwise (eastbound) onto the A635 and then keep left onto the A665 (Great Ancoats St). After the retail park turn right down Redhill St at Roche Bobois. Bengal St is the fourth road on the left. Waulk Mill is the first building on the right (look for the double wooden gates after about 50 yards).

From North of the city centre follow directions onto the inner ring road A665 (Miller St - Swan St - Great Ancoats St), heading clockwise. Before the retail park turn left down Redhill St at Roche Bobois. Bengal St is the fourth road on the left. Waulk Mill is the first building on the right (look for the double wooden gates after about 50 yards).

From East of the city centre follow Ashton Old Road A635 into Manchester turning right onto the inner ring road A665 (Great Ancoats St), heading anti-clockwise. After the retail park turn right down Redhill St at Roche Bobois. Bengal St is the fourth road on the left. Waulk Mill is the first building on the right (look for the double wooden gates after about 50 yards).

We have a parking space available for visitors. If we know you are coming this will automatically be reserved for you. Please indicate if your party is arriving in more than one car and we'll endeavour to arrange additional on-site parking. Alternatively, there are metered parking spaces on Redhill St and a car park on Jersey St. You will need to use the buzzer outside which will enable us to open the doors. We are on the fourth floor.

By helicopter

The rooftop helipad is unfortunately being refurbished and will be out of action until further notice

NB: Ancoats Urban Village is currently undergoing some exciting regeneration work and there are temporary road closures on and around Bengal St. If this obstructs your route please just follow the alternative route signposted. If all else fails just give us a ring and we'll be happy to guide you in!
